## PROJECT EXPERIENCE

**Volunteer and Non-profit Portal** — LaunchCode
- Based on a real-world need, brought the initial design idea of a two-way search function to the team.
- Built project's MVC backend
- Prototyped various security solutions including OAuth 2.0

## WORK EXPERIENCE

**Manager of Teacher Programs**, Saint Louis Science Center, St. Louis, MO, June 2017 – December 2020
- Launched initiative connecting educators to local organizations and corporations for building relationships and fostering partnerships.
- Designed and delivered professional development and networking workshops to over 100 educators from local school systems.
- Spearheaded the creation of  a new teacher professional development suite.

**Freelance Video Technician**, Fox Sports Midwest, St. Louis, MO, June 2011 – March 2020
- Imported live footage and built video packages for broadcast in St. Louis Cardinals and Blues shows.
- Recorded and transferred footage for archival purposes.
- Helped produce live pre- and post-game shows.

**Program Coordinator**, Saint Louis Science Center, St. Louis, MO, April 2015 – June 2017
- Matched education programs to client needs and coordinated educators and facilities for delivery. Arranged facilities and staff for events serving over 1000 guests. Led programs as necessary.
- Designed and coordinated new education programs surpassing department revenue goals by 30%.
